03 Fundraising Events for 2015

Another casino night was discussed but David Lattimore doesn't have the contact anymore. Should we use another company? Jo will look on line but so far they are very expensive. Kay spoke about holding a race night and should we hold this out of the village in a larger venue? Kay will get prices and venues for the next meeting to discuss. It was thought though that we should hold any events in the village, but we are struggling for car parking and bringing in numbers of people.

Kay spoke about the running of a survey using an online survey company for free. She will go ahead and write one up and publish via the Collyweston News and Facebook.

Sport – Fiona Cowan came across Community Tennis but you had to have 3 courts to qualify. However though this, Jo has a new local contact for the LTA. Jo is also looking for funding through Northampton community sports- so we may have some good news soon!

04 General Maintenance

Shelagh and Jo have appointed The Conservation Volunteers (TCV) to maintain the hedge to the Pocket Park. TCV have secured free plants from Western Power and a replacement Oak tree, and came with 10 young adults and they have trimmed the hedges and planted the donated trees. All the brambles that have been cut are not by the container- David will remove these.

Moles are prevalent but Pete will deal with this.
