02 Minutes of the previous meeting 22nd March 2016

The minutes were signed as a correct record of the meeting.

Proposed Fiona Cowan

Seconded Kay Musgrove

All agreed

03 Fundraising Events for 2016 update

Race Night – Kay will speak to the Danish Invader in June

04 Finance report at 31.03.16 by Treasurer

The treasurer was not present at this meeting.

05 Update on Grants and projects

Sport England – they have turned us down on numbers.

Maud Elkington Trust donated £2000k, which was received with grateful thanks.

The others will be applied to.

We need to be looking at other means of grants. Again, we are limited because of the car parking.

Should we be doing smaller fundraising sessions?

Annelies suggested a sponsored toddle. Should we put something in the magazine. Perhaps we should ask in the magazine. What about another casino night? Kay will ask around to see if anyone knows.

Do people know about what we are doing? Should we combine this with the casino night?

06 Review hire of equipment

We did say that we were going to charge people for equipment. Perhaps a better idea is to charge a deposit. We need to manage this better. We will discuss this at the next meeting.

07 General Maintenance

The pocket park – we have a survey taken- we have lost 4 plants but the surveyor thinks we have managed it very well. It has been suggested that we have another cut in the year, but not so short.

There has been an increase in rare species of butterfly.

He had a look at every tree and he was very pleased with what you have been doing.
